About Excel Industries

Established in 2005, Excel Industries, the pioneering manufacturer and supplier entity strives to supply superior quality Office Furniture to its prestigious clientele nationwide. Our product portfolio includes next-generation Modular Furniture, Chairs, Tables, Cabinets, Racks, Heavy-Duty Storage Racks, Sofa Sets, Modular Workstations, Canteen Furniture, and School/College Furniture. Since the inception, integrity and reliability have remained our key principles, which reflect in the premier quality of our offered furniture.

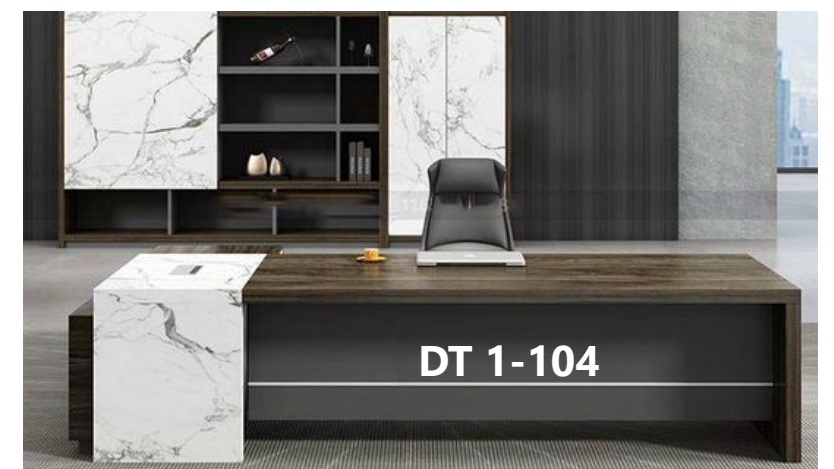

Mission & Vision

For decades, we have been serving and meeting the demands of our valued customers. We are a client centric organization and always try to satisfy our customers by offering them superior quality Office Furniture. To offer complete client satisfaction, we also specialize in the field of customization. All our products are easy to assemble and cost-effective. For the convenience of our customers, we even offer easy payment modes.
